GLOBAL SHOWCASE OF THE TEXTILE INDUSTRY: TEXHIBITION ISTANBUL

Texhibition Istanbul Fabric, Yarn, and Textile Accessories Fair has become a platform where the heart of the textile industry beats, showcasing a wide range of topics from production and quality to trends and sustainability. With its export-focused exhibition experience, Texhibition Istanbul has hosted over 100,000 visitors to date, solidifying its place among the leading global trade shows. The event highlights the most innovative and sustainable solutions in the textile industry, offering participants and visitors new opportunities in global markets.

SEVENTH EDITION OF TEXHIBITION ISTANBUL: MARCH 5-7, 2025

Organized by İTKİB Fairs Inc. on behalf of the Istanbul Textile and Raw Materials Exporters' Association (İTHİB), Texhibition Istanbul continues to grow with each edition, bringing together local companies with global buyers. The seventh edition, scheduled for March 5-7, 2025, will be an unmissable event for professionals looking to stay updated on the latest developments and innovative processes in the textile industry.

INNOVATION HUB

THE FUTURE OF TEXTILES

One of the most striking areas of Texhibition Istanbul is the Innovation Hub, a space where technology and textiles intersect, making a difference in the sector.

This area, curated by Arzu Kaprol as Creative Director and coordinated by Filiz Tunca, attracts great interest with projects that blend wearable technologies with sustainable fashion and showcase eco-friendly, high-tech products.

Türkiye's success in textile industry innovation is showcased on the global stage through cutting-edge fabrics and digitalization-focused projects. The Innovation Hub not only highlights the present but also the future of the textile world, hosting technologies, production solutions, and sustainability strategies that will shape tomorrow's fashion.

BLUE BLACK TEXHIBITON

THE POWER OF DENIM

The most prominent domestic producers in the denim world come together at the Blue Black Texhibition section of Texhibition Istanbul.

Türkiye's expertise in denim production and its leadership in the global market are showcased in this exclusive area. From high-quality denim fabrics to advanced design projects, and from innovative product development processes to sustainable production methods, this section offers a valuable opportunity for professionals in the denim fashion industry.

This section, where producers showcase their products blended with current trends and technology, reflects Türkiye's determination to become a global brand in the denim sector and its production capacity.

THE HEART OF TRENDS: TEXHIBITION ISTANBUL CREATIVE HUB

At the Texhibition Istanbul Fair, the specially designed Creative Hubs bring together standout yarn, fabric, and accessory products from participating companies around creative themes. These spaces, which set the trends for each season, showcase innovative products with thematic stories and inspiring presentations. Enriched with the latest technological developments and sustainable solutions in the industry, these creativity-focused areas act as a guide for shaping the future and offer visitors a unique opportunity to make an impact in the sector.

ReValue: OVERSTOCK CONNECTION HUB

The ReValue program creates new business opportunities by showcasing the surplus products of Texhibition participants. This area promotes sustainability by reducing waste and enhancing resource efficiency, while also helping brands expand into global markets. Through 3D modeling, AI, and QR code technologies, the products continue reaching potential customers worldwide even after the exhibition.
